Embrace your chance
of a lifetime.

Birmingham City University

Study Abroad - One and Two Semesters

September 2015 and January 2016

Come to Birmingham City University on a study abroad programme and embrace your chance of a lifetime.

Our study abroad offers a fully integrated academic experience giving students the opportunity to earn University credits, enhance their career prospects, explore the UK and make lifelong friends.

With around 22,500 students from 80 countries, Birmingham City University is a large, diverse and increasingly popular place to study. We put students at the heart of everything we do, giving them the best opportunities for future success.

The University has an enviable reputation for providing quality, student-focused education in a professional and friendly environment. Our superb courses, state-of-the-art facilities, first-rate staff, and focus on practical skills and professional relevance is producing some of the country's most employable graduates.
